

Generosity Gatherings

Connecting generosity and your journey

- Vision:** Promoting global generosity to change the world for Christ *in community*.
- Problem:** Many desire to be generous but lack a safe place to discuss wealth, the “why” of giving, and practical ways to give more.
- Solution:** Generosity Gatherings—groups of 15-25 to share the *why* and *how* of generosity through personal testimonies, video, instruction and application. National Christian Foundation is there to assist and guide.
- How:** Seek a Champion (it may be you!) Determine who can host and be a catalyst for invitation. Send invitations and gather!
- Format:** The typical format typically consists of the following:
1. Vision casting for ministry
 2. Generosity Devotion
 3. Personal Testimony
 4. Video
 5. Discussion time
 6. Practical instruction
 7. Application
- Logistics:** You’ll need a place and a time. The ***place*** can be at a restaurant if it’s a private room, but it can be a gathering place at church or a home. The ***time*** can vary—it can be a breakfast meeting—great for business guys. It can be a lunch. Or it can be an evening event, which is sometimes easier for couples. The ***length of time*** should be a minimum of 1.5 hours but can be as long as 2.5 hours—particularly for an evening event.

Process: You'll need to allow 4-6 weeks in advance for a gathering. The steps include the following:

1. Identify your Champion/Host
2. Make an invite list
3. Set logistics—time, location, length of time
4. Send a personal invite—email is fine
5. Follow up on invites
6. After event, personal meetings for action plan
